Color Guard

My name is Alexis Hannah. I found my passion for colorguard at Gaither High School in 2012. After performing for 4 years, I was eager to share my love of colorguard with new students. I taught at Gaither High School for 4 years and directed the JV colorguard for 2 years. During my undergrad, I performed with the USF Winterguard. Outside of the performing arts, I am currently a doctorate student at Palmer College of Chiropractic, which brought me to my new home here in Port Orange. I am so excited to join the Spruce Creek family this season! I love being able to share my passion for the activity and watch my students progress and grow under my direction. I am eager to experience new growth and new accomplishments together this year.
